DEPART

MENTS

C ollege life would not be complete, or even existent without the faculty and administration. Not only do they set an example for students, they help to shape and mold our education. While putting in long hours, faculty and administration members aided seniors and underclassmen to ensure their class requirements were met.

BRIDGEWATER STATE COLLEGE Bridgewater, Massachusetts 02325

Office of the President

508/697-1201

April 15, 1992

Dear Class of 1992:

Few classes in the 151 year history of Bridgewater State College have seen and experienced as many changes as your class. Happily, the great majority of these changes have been positive—some of them extraordinarily positive. I think, for example, of the news received at the beginning of your senior year that the College had been awarded a \$10 million dollar federal grant (the largest federal grant, to our knowledge, ever awarded to any state college) to design, build and develop a new educational technology center.

I hope and I trust that you are as proud of this College as we are proud of you. As graduates of Bridgewater, you will enjoy a life-long link with your alma mater, and you can be assured that our contacts with you will be frequent and there will be numerous opportunities for involvement in alumni activities.

May you always have pleasant memories of your days on this campus and may the friends you've made here remain close to you. This yearbook will serve as an important reminder of this milestone period for you, and of our best wishes for your continuing success.

Sincerely

Adrian Tinsley

Rolling Out the Red Carpet

After many long months of hard planning with limited resources and manpower, Homecoming '91, Rolling out the Red Carpet, finally became a reality on October 4 and 5. On Friday afternoon the sun shone brightly upon the First Annual Homecoming Fall Fiesta, where many clubs and organizations sponsored booths such as: Make Your Own Tee-shirt, Pie Throwing, Candy Apples, and Tarot Card Reading. Morrison's Custom Management put on a complete Mexican Feast for all behind the Campus Center. The music and fun started Homecoming Weekend '91 off to a great start.

The celebration only got better as the traditional bonfire was held near the Lower Great Hill Parking Lot. The Brothers of Sigma Chi lit the sky and spirits soared as the fire blazed on.

Everyone woke up Saturday morning expecting rain, but to our surprise there was bright sun shining over BSC. It was time for the float building. Some students woke up as early as 6 a.m. to build their float and before everyone knew it was 11 a.m. The

largest Homecoming Parade ever to assemble at BSC was off, complete with a 110 member band called Generations, over 18 floats from various clubs and organizations, horse and carriages, the Bridgewater / Raynham Marching Band, and of course Bridgewater State's finest . . . The Campus Police leading the parade through the center of town.

The fun continued at Swenson Field as the Bridgewater State College football team narrowly defeated the U-Mass Dartmouth Corsairs by a score of 26-25. Many people were sitting on the edge of their seats throughout the game. During half-time, Orianna Botelho announced the float winners and also the Homecoming King, Edward Tighe, and Queen, Kelly Herman. Also playing during this Homecoming Weekend were the Field Hockey team, Men's Soccer, and both the Men's and Women's Rugby teams.

Saturday Night the Campus Center Auditorium featured Ellen Degeneres. She had the audience in stitches with her show lasting for over an hour with two encore presentations.

The Rolling of the Red Carpet happened throughout Homecoming Weekend making it a weekend that will be remembered by all for years to come.

Ready for the End

The 151st Convocation of Bridgewater State College was held on September 18th. It had the distinct honor of having Liz Walker as one of the key speakers. Through her heart-felt speech, Walker have insight into what students should do to make their last year the best ever. She said that students shouldn't just sit back; they should get involved. This also includes not sliding through one's senior year. Dr. Wood, Professor of English, gave a humorous speech of the journey of the class as a whole, progressing from their freshman year until the final year, becoming a senior. One of his more memorable anecdotes was when a freshman got hold of a high-lighter and colored in the whole book.

One would have expected a large majority of the class to be there to celebrate the beginning of their last year but this was not the case. Only a small percentage of seniors attended, however those that were there showed enough enthusiasm to make up for their missing classmates.

Heat it up!

At the end of every fall semester, the Bridgewater State College Dance Comapny presents Winterdance. The performance is held in the Demonstration Room of the Rondileau Campus Center. Students who have previous dance experience of who are willing to take a dance class for that semester are able to perform in the company. There are auditions during the first rehearsal night in which everyone who does audition gets placed in a dance.

Most of the pieces in the show are choreographed by students who are familiar with various forms of dance such as jazz, tap, ballet, or modern. Winterdance also enables students to work with a professional choreographer. This year students worked with Judith Chaffee, a member of the Dance Collective in Boston. The Artistic Director of the Bridgewater State College Dance Company is Dr. Nancy Moses, who has been directing the dance company for the past seven years.

Modern dance was also represented in the show. Dancers took classes to learn the techniques involved with it. (photo by K. Ploss)

Winter Graduation

The sixth annual Winter Commencement honored 586 men and women for their hard work and dedication toward their respective degrees. Since the tradition of Winter Commencement began in 1987, it is estimated that approximately 3,700 degrees have been awarded during these exercises. The graduates were addressed by a panel of honored guests including the Board of Trustees and Paul Marks, Chancellor of the Higher Education Coordinating Council. Dr. George Weygand, a 1953 BSC alumnus, served as Commencement Marshall. Following the ceremony, a reception honoring the graduates was held in the Campus Center Ballroom.

Spring Ball

March 27 was a memorable night for many BSC students. On that particular evening, the Class of 1993 sponsored the annual Spring Ball. The event took place at Lombardo's in Randolph. A buffet was served and Tim Mann took care of the music. It gave both seniors and underclassmen one last chance to party the night away in a fine BSC fashion.

Spring Fest

This year's Spring Fest was an afternoon of exciting fun and games. Students were treated to a Boston-based group known as "The Cattunes," who reprised popular by everyone from Elvis to Madonna. The stage was also opened up for the student community to enjoy karaoke. The afternoon also included a velcro wall, a moon bounce, an orbitron, free throw contest and free samples of Razcal soda. Everyone involved had a good time and as a reward to the students, Program Committee gave out frisbees and beach balls.

Earth Day

What is Earth Day? It's a day set aside to commemorate the wonders of our planet, it hopes to make us more aware of our natural surroundings and ways to better appreciate them. Something ignored far too often in our technology-oriented world, the earth is taken for granted at almost every turn. Earth Day is a way for us, as students, to learn more about the world we live in, and ways to stop the abuse we all too often subject it to. In just one day, Earth Day generates ideas to be considered for years to come.

Spring Graduation

The 151st academic year ended on a joyful note as over 1,000 smiling graduates received their degrees depicting their hard work and determination. It was a day of celebration for the graduates and their loved ones. Spring Commencement symbolized various things for the Class of 1992. To some, the end of an era; to others, a new beginning. However it's seen, Commencement is a special time in life which will long be remembered and held dear. All of the graduates of 1992 have a right to be proud of themselves for all they have achieved.

After a tough start the Lady Bears improved as the season went on (4-9). Every year this sport goes through an indoctrination period because most team members join with no prior experience in the game. With the strong influx of freshmen and sophomores on this year's squad, this should prove to be much less of a problem next season.

Men's

New team members and poor weather conditions played a major part in BSC's poor showing this year (4-8). At least five matches had to be rescheduled this year causing several team members to be unavailable for their makeup matches. With only three seniors on squad and better weather, 1993 should be much more rewarding in the win-loss column.

The men had a much stronger season than the women due to greater numbers and two very strong relay teams in the 4x100 and 4x400. John Comeau ended the season in strong fashion with a second place finish in the 200m at the Open New Englands. Expect both teams to increase in quality and quantity in 1993.

Kristi Ploss Yearbook Editor

After many long hours, the 1992 Yearbook is finally done. I would like to thank the staff, as small as it was, for all their hard work and effort in taking pictures and writing stories. You all did a good job. I would also like tothank Dr. Roger Dunn, our advisor, for putting up with all the staff nonsense.

I appologize to anyone who may not have been included in the yearbook. With such a small staff, it is difficult to cover all the events. If there are any misidentifications, I appologize. It is hard to print accurate information if the information given is inaccurate.

Please use this yearbook as a photo album, a reference book, and a memory book so you can remember events and friends for many years to come.

Finally, I would like to wish you all good luck in your future and everything you do.

Take care, Kristi

Even with their hectic schedules, every now and then students had to relax and take "Time for a Paws"

"Time for a Paws," Volume 94 of the Bridgewater State College Yearbook, was printed by Herff-Jones Yearbooks out of their Gettysburg, Pennsylvania publishing plant.

Production

Most pages were submitted on Pagemaster software, Herff-Jones' adaptation of Pagemaker 4.0. Few pages and layout designs were drawn and submitted on Quad Paks. Proofs were made from each page and submitted for editing. Once the proofs were checked, they were sent back and 700 copies of the pages were printed.

Pages

The finalized book consisted of 232 pages which were printed on 80 pound bordeaux paper. 72 pages of the yearbook were printed in a Four Color Process, 20 pages contained Spot Color, and the remaining 140 pages were printed in black and white.

Typefaces

The primary typeface used in production was Times. Lines and shading were drawn using the Typemaster Software.

Ordering Information

Order forms were available not only for mem-

bers of the senior class, but also for underclassmen and faculty members. Seniors were offered a free yearbook if they responded before the end of the year. A mailing fee of \$4.50 was required. Name on Cover (\$3.25 or \$7.00) and a Plastic Protective Cover (\$2.00) were given as options.

Seniors and Candid Photography

Color senior photo were taken by McGrath's Studios of Brockton, Massachusetts in conjunction with Yearbook Associates. Portraits were not accepted from any other studio, this policy was established to ensure consistency with the background as the portraits were printed in color. Candid photography of such events as Convocation and Graduation were also provided by McGrath's Studios, as well as the photos in the Clubs and Organizations section.
